SDSWMA
PO Box 978
Aberdeen, SD 57401
Phone: 605-216-3256
Fax: 605-225-1619
Email: sdsolidwaste@yahoo.com

Several years ago many of our industry suppliers, consultants and in-common members asked for a joint conference between our two associations.

You asked for it, you got it!

This will be the 20th year that South Dakota Solid Waste has hosted an annual conference and trade show for recycling facility operators, landfill operators, garbage haulers, industry consultants, equipment suppliers, Indian tribes and regulators! We are pleased to make this a monumental occasion with our sister organization to the north, North Dakota Solid Waste and Recycling Association for their 15th annual conference.

Attendees will benefit from knowledgeable speakers, suppliers, consultants and peers as they spend September 14-16, 2010 networking with the best of the best in solid waste! If you are looking for ways to improve your daily operations, study and carry out projects, plan for future growth, or need CEUs or PDHs, your attendance is mandatory. Every facet of the solid waste industry will be represented. Participation is anticipated from North Dakota, South Dakota, Wyoming, Nebraska, and Minnesota, so make plans now to attend the largest industry event in the region.

Conference Registration

Organization _____
Address _____
