The South Dakota Solid Waste Management Foundation has scholarships available to students interested in a college or vo-tech education beyond high school.

You may apply by writing a letter to:

South Dakota Solid Waste Management Association

Attention: Scholarship Foundation

PO Box 978

Aberdeen, SD 57401-0978

Phone: 605-216-3256

In your application letter, please provide a story of your life. State your need for financial assistance and describe all your work experience. List your extra curricular activities, your grade point, your interests, and include three reference letters.

We are interested in individuals who are willing to work, who have been involved in community service, who have performed in a consistent manner in school, and who work part time. A high grade point is not required, just consistent grades.

Applicants with a desire to work in an environmental field or a support field to the solid waste industry will be given a preference. This covers a very broad spectrum!

The deadline for application is March 1st of each year.

Thank you for your interest.
